Home-Based Business Boom

Network Marketing has moved to the forefront of the business community and is now setting the pace worldwide.

Residual income can supplement or replace retirement income

NETWORK MARKETING NOW RECOGNIZED AS A POWERFUL FINANCIAL FORCE

1. The industry produces \$25 Billion in the US and \$100 billion in sales annually worldwide.
2. Nearly 8,000 people join a network marketing company each day.
3. New computer and telecommunications technology have revolutionized the industry, making it more attractive than ever before.
4. Today's network marketers include former doctors, attorneys, stockbrokers and CEO's as well as students, housewives, retiree's and military members.

Commission Structure

- Up to 70% of 1st Month Rental • 20% of Ongoing Monthly Rental fee

This is the commission you get every time you sell a system yourself.

The nice thing about this is you continue to get 20% commission on each month's rent collected.

You receive the first month as well as each and every month from there on.
